NURTURING BRIGHT MINDS EVERY DAY

What we learned

- In math, we counted with pompoms and matched shapes!
- We read "God Made Me Special" for Religion and learned the Bible verse "Let the children come to me"
- We also read stories about the first day of school, like "Mouse's First Day of School", and "Pout Pout Fish Goes to School". We are finding our names and writing or tracing them, too!

WHAT A GREAT WEEK!

- We had a wonderful week getting to know our classroom and each other!
- Thank you families for a great 1st week of prechool!
